TIM's TALES

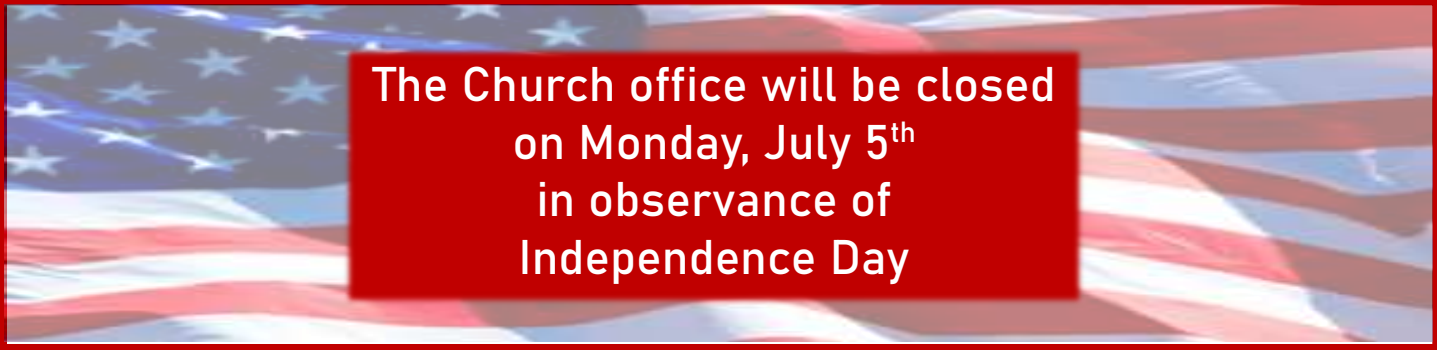

As the Search Committee begins its good and faithful work you might be wondering how you might best help them find the next pastor for Yorkville Congregational United Church of Christ. I have a suggestion. But first....

Serving on a Search Committee is a great privilege. And it is hard work. The work will keep committee members from their families. The work will cause disagreement and discord among the members. Each search committee member will work long hours as they form the group, write the church's profile, read pastoral profiles, try to listen to God, and interview candidates. The search process also requires faithfully working together for a common purpose of serving the church.

So, how can you help? Pray for the Search Committee. Let me suggest five guides to your prayers for the committee.

1. Unity. The committee members will disagree, sometimes strongly. They will need to decide which of the church's priorities are negotiable and which are not. Some will like one kind of sermon and others will like another. Some will like a particular candidate and others will not. Unity is essential. Please pray with me that the committee will have unity of purpose.
2. Spiritual Strength. Service on a search committee will always stretch a person's faith. There will be fresh spiritual learnings and differing ideas about how a church can faithfully serve God. The committee has already appointed a chaplain to keep them centered on God. Prayer within the committee and prayer for the committee is essential. Please pray with me that the committee will hold to a spiritual center amid the many family distractions, personal challenges, and common hardships they may face in their time of service.
3. Wisdom. We pray that the whole committee may be empowered by the wisdom of God. Myriad choices will entangle the committee from what should the pastor's greatest strength be, what age, what gender, how biblically strong, how strong a singer, where will the pastor live and on and on and on. God's wisdom is the best guide through this thicket. Please pray with me that God's wisdom will guide the committee.
4. Fortitude. The search process needs the time to let the Holy Spirit work. Some in the congregation will grow weary of waiting and the committee will become weary from the work. God will give them the fortitude they need. We must give them the room they need. Please pray with me that the committee will have the fortitude to endure the process.
5. Fun. Fun can be had. Self-deprecating laughter, goofy gags, and just plain silliness can help the committee focus and delight in faithful frivolity. Pray with me that the committee may have buckets of fun.

Want to help the search committee? Pray that they may have unity, spiritual strength, wisdom, fortitude, and fun. And when you feel stuck simply pray, "May God guide them. Amen."

**The Church office will be closed
on Monday, July 5th
in observance of
Independence Day**

From the Desk of the Chair

From the middle of June and extending through July we have the opportunity to celebrate our independence. Juneteenth, now a federal holiday, celebrated the independence and freedom from the shackles of slavery of over an eighth of the entire population of the United States. That reminds me of something I recently heard... "No One Truly Wins Until We All Win!" - Rev. Timothy C. Rhodes

We also get to celebrate the 4th of July to mark our country's independence. The Yorkville parade and celebration is a good chance for our church to get out into the community and we plan to take advantage of it through participation in the parade and staffing the bounce house attraction at the park. Thanks to Lori Redmon, Kathy Farren, Barb Thurlby, Mary Ellen Anderson and many others for organizing the strong showing our church will have at this July 3rd community event. We hope you can participate and attend.

Both of these celebrations are made sweeter by the fact that Illinois entered "Phase 5" of its COVID-19 reopening plan on June 11th. This comes with a significant removal of restrictions regarding social distancing, masks and capacity limitations. Our church has moved in accordance with this plan and, starting with the June 27th worship service, removed capacity limitations and relaxed mask requirements to be optional in alignment with CDC guidance. There is no change to the children's programs and nursery staff and masks will still be required in those settings. You should start to see a steady increase in "normal" church activity as we progress through the remainder of the year.

In other news, our flat roof replacement project is under way. This will be a huge improvement and solution to the many leaks that we have had in our church over recent years. This project comes with a price tag that puts significant pressure on the church's finances. In March I announced that we needed an increase in monthly giving of \$50 per family if we are to meet our ongoing expenses. The latest data shows that we have seen 21 increases of \$50 or more out of 109 families and we need more. Now is the time to act! Please consider increasing your regular giving to support the ongoing work of your church.

Peace,
Aaron Shatters
SLT Chairperson

Remember that the best way to give is by signing up for the "E-Giving Automatic Giving Plan". The application is available at the end of this newsletter and at our website. This is the "set it and forget it" donation option and now is the perfect time to update your routine. More information can be found by clicking the "E-GIVING" button at <http://yorkvilleuucc.org/>. Please give this option strong consideration as this could be the best option for both you and the church.

When it rains, it pours! And it has done a lot of that lately! The weekend before the new flat roof was started, it poured! Unfortunately, new leaks in the office took in water and the Admin monitor and keyboard were not functionable any more. The leak expanded into the work room and took on water also, damaging our spare computer equipment and an air duct along with several ceiling tiles in both areas! Thank God the roofing project was started Tuesday, June 15th! However, weather conditions are compromising the roofing project.

That same weekend, Mary Ellen got tangled up in her dog rope causing her to fall. She broke her wrist and nose, and had many bumps and bruises. Her wrist required surgery and she is recovering now. We are praying for a speedy recovery!

On Monday, June 21st, we discovered new leaks in the 2 & 3 year old classroom. Thanks to Laurie Strong and Andy Hamblin for the discovery and cleanup of the room! As we continue on this roofing journey, we look forward to the new roof and getting the interior repairs completed! We get closer to that day, every day.

The Building and Grounds Committee continues to meet every Tuesday morning at 9 a.m. and finish up usually following lunch together! They have been busy investigating and cleaning up roof leaks, preparing for VBS and many other church maintenance projects! We want to welcome Brian Bazan to the committee and thank Jim Davis for serving so faithfully for many years! We will miss his stories and humor at the lunch table!

As always, please submit your events to be added to the church calendar. During Mary Ellen's recovery, please copy requests to AdminAsst@yorkvilleucc.org! Thank you in advance!

Stewardship Thoughts for the Month

ROMANS 15:13

"May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope."

FROM MARGARET YOUNG

Often people attempt to live their lives backwards: they try to have more things, or more money, in order to do more of what they want so that they will be happier. The way it actually works is the reverse. You must first be who you really are, then, do what you need to do, in order to have what you want.

To our church family,

Words cannot express the love and support that we have felt during this difficult time in our lives. We are grateful to those who have given more than we could have imagined, whether it be a prayer, food, or a monetary gift. Through this support we have felt the grace of God and the wonderful family we are surrounded by.

Love,
The Rhodes Family

YCC KIDS CHURCH ENJOYS 'BOARD GAME' CURRICULUM

By Barb Thurlby, Christian Education Director

Kids Church at Yorkville Congregational Church began on Sunday, June 6, 2021. The summer curriculum is 'Board Games!' Who doesn't love board games! Each week kids visit a fun board game with a message from scripture. We began the session with Chutes and Ladders. Remember Chutes and Ladders? The message explained that life is full of ups and downs and we need to turn to God to lead us. We also visited the game, Connect Four. The message talked about how things connect and we need to connect to God and help others connect to God. After each story students break into groups and play the various games discussed.

Any kids out there missing Kids Church? Come visit soon and enjoy some board games!

Outreach & Welcoming

The Joy in seeing smiling faces and being able to gather again is one of many gifts from our Lord.

He set my feet on solid ground and steadied me as I walked along, HE has given us a new song to sing, a hymn of praise to our GOD – Psalm 40 2b-3.

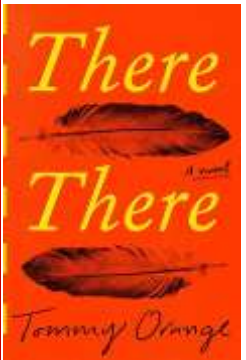

Walk in Love, share your peace and kindness with each other.

Adult Education

The next Book Discussion will be September 7th - get your book and start reading! See below for more details!

Into the Mystic is a weekly podcast produced by Rev. John C. Dorhauer, general minister and President of the United Church of Christ. He creates these weekly messages so that "the art and practice of spiritual reflection is modeled as a priority and not just a part time avocation." (Apple Podcasts) These short five minute podcasts are quick to listen to and give you something to reflect on. I find them very worthwhile to listen to and then think about. Give them a try!

I am so excited to announce that our next book discussion will be **There There** by Tommy Orange! Tommy Orange is a member of the Cheyenne and Arapaho Tribes of Oklahoma, this is his first book. This book was nominated for the 2019 Pulitzer Prize for fiction and has won numerous other awards for fiction.

The book follows twelve characters, all living in urban environments, all struggling with various life issues. They are all on their way to the Oakland Powwow. The character's lives are all connected in ways they don't realize. "Together, this chorus of voices tells of the plight of the urban Native American--grappling with a complex and painful history, with an inheritance of beauty and spirituality, with communion and sacrifice and heroism." (Goodreads)

The *There There* book discussions will be Tuesday, September 7 and Tuesday, September 21 at 7:00 on Google Meet. Send me an email if you are interested in joining the discussion and I will send you the joining information. If you can not join a video discussion but want to join the discussion, let me know and we could possibly switch to an in-person discussion if there is interest.

Join the E-Giving Automatic Giving Plan!

Many people give regularly to support the congregation. Members are continuously seeking out alternative payment options to simplify their busy lives. Yorkville Congregational United Church of Christ has an automatic giving plan.

Instead of writing a check each week or month, your gifts can be automatically deducted from your checking or savings account weekly or monthly. Your account can be with any bank within the United States.

How it works:

- The first step is to fill out, sign and return the authorization form.
- Then, each week or month, we will debit your account through the Federal Reserve's Automated Clearing House (ACH). This is a simple way for us to electronically transfer dollars from your account to the Yorkville Congregational United Church of Christ church's account in one simple step.
- When you receive your bank statement each month, you will see a line item referencing this transaction along with the dollar amount you've specified. We will also keep track of your gifts and each transaction will show up as a line item on your yearly giving statement.

Consider this convenient option for your generous gifts. If you have any questions about the automatic giving plan, please call our office at (630) 553-7308.
